“Regain Your Brain and Regain Your Life!”

– *Peggy Sarlin, Host & Author of **Regain Your Brain***

Following the success of *Awakening from Alzheimer's*, we've been overwhelmed with stories from around the world of people successfully **pushing back – and even reversing** – the progression of Alzheimer's and dementia.

But we realize that **so many more people** want to not only **protect** themselves but **reverse** the downward slope of cognitive health that many experience in their **40's, 50's, and 60's**.

There are so many things you should be doing *today* to help **regain the sharp and agile mind you had when you were young**.

The good news is, there are many breakthroughs on the horizon that were **virtually unthinkable** even a year ago. You'll learn firsthand many

of these **promising developments**, as well as **all-new techniques** you can use *right now*, in each new episode of ***Regain Your Brain***.

In this new “**season of hope**,” you’ll discover the latest research into the many reasons *why* you lose your memory, and how to *regain* your brain **no matter what your age**.

That’s why the entire 12-day event is **absolutely free** to anyone who registers for the event.

Register now for this extraordinary event and empower yourself and your loved ones. We recommend you **watch the entire series** with as many family members as possible and **share this page** with everyone you care about.

The event kicks off **Saturday September 21, 2019** and runs through October 2, 2019. Each day’s episode will be available online for 24 hours, then the next day’s episode will be loaded for viewing.

When you enter your name & email address to register for the event, you’ll receive your personal viewing link each day via email. Be sure to keep an eye on your inbox for upcoming announcements and further details!
